# LIFE OF A TOUR MANAGER

Riders are merely focused on the artists themselves. Needless to say, there is no way tour managers should be forgotten. Therefore, we created the Tour Manager Treatment. A 'survival kit' consisting of Red Bull, Diptyque products to refresh, stroopwafels and a sleeping mask with earplugs. At The Grand we are aware and understand your busy schedule. We assist with anything and provide you 5-star luxury service and comfort.

## Life of a tour manager! You are the pioneer in a rollercoaster

Sending messages back and forth with the artist's management. Being awake at night and early rise. Working long hours and having little time for sleep. Keeping track of tons of e-mails ensuring logistics are ready. Making sure the venue is ready; checking sounds, keeping the artists happy, informing the travel agent regarding your revisions and running a smooth gig.

Travelling in the middle of the night with an irregular schedule. And how long was it ago, you slept in your own bed? At The Grand we are aware of your routine. Unwind in our luxury property in all privacy and quietness and feel free to contact us when you need us. We will be happy to welcome you at The Grand.

## Transfer & arrival

At The Grand we strive for a proper and smooth check-in experience. The team is more than happy to pre-register and pre-key all the rooms, to ensure a professional and quick arrival. We are ready to welcome you 24-hours a day.

Limousine or mini van transfers available upon request from anywhere, including Private Terminal Schiphol Airport, charged on hotel folio to create one overview.

## Press events

The hotel is offering tailored solutions for Press Events. Welcoming cast and crew of 007's SPECTRE, including Lea Seydoux, Dave Bautista and Michael Wilson for press conference and events in the hotel and premiere in National Theatre Tuschinski.

We had the honour to welcome Michael Jackson, Tina Turner, Justin Bieber, Ariana Grande, Sting and many more.
